

DC-2010 to be held in Pittsburgh, 20-22 October 2010

DCMI is pleased to announce that DC-2010 will take place 20-22 October 2010 in Pittsburgh, Pennsylvania, USA. The conference will be held in conjunction with the Annual Meeting of the American Society for Information Science and Technology (ASIS&T) which is scheduled for 22-27 October 2010 in the same location.

Since 2001, the DCMI Conferences and Workshop Series has been called "The International Conference on Dublin Core and Metadata Applications". Conferences include a Tutorial track, a peer-reviewed Conference track, Special Sessions and Community meetings and are attended by hundreds of experts from around the world.

Conference proceedings are published in the DCMI Conference Papers at purl.org/dcpapers
More information about the Conference series is available at dublincore.org/workshops/

Join us in Pittsburgh for three exciting days of presentations, hands-on workshops and
networking with metadata experts from around the world !
