Learning Linked Data Implementation Planning

Meeting Logistics and Agenda

- Mon., 17 Sept. 2012, 9am-6pm, MGH 310D and Tues., 18 Sept. 2012, 9am-3pm, MGH 370H
- Expected participants: Mike, Joe, Tom, David, Stuart
- Review any logistical issues -- reimbursements, etc. (Mike, 30 min.?)
- Current project status (Monday a.m.)
    - Planning grant report - PDF download (399KB) (60 min.?)
    - IMLS blog post - PDF download (84KB) -- both to be submitted late Sept. (45 min.?)
    - Inventory of Learning Topics: Final version -- PDF download (314KB) (60 min.?)
    - Glossary - PDF download (229KB) (30 min.?)
- Implementation grant proposal (Monday p.m., Tuesday a.m.)
    - Review Proposal discussion draft - PDF download (292KB) (120 min.?)
    - Plan revisions to discussion draft (240 min.?)
    - Potential partnership or coordination opportunities? (e.g., Kahn Academy, Project EUCLID) -- How does LLD fit with other activities around Linked Data instruction? (60 min.?)
    - FOLLOW-UP: After 18 September, Tom and David will finalize the project narrative in the format required by IMLS
    - Presentation technologies: Notes from meeting with Randy Orwin re: Flash and HTML5 (30 min.?)
    - Proposal review, revision, submission process: January 2013 (30 min.)
- ALA Midwinter Panel (as time allows)
    - ALISE Panel proposal was not accepted
    - Possible participation in section organized by Theo Gerontakos of UW Libraries
